

Canton Christian Fellowship believes that man was created in the image of God, in a state of innocence under the law of His maker but, he voluntarily sinned and fell from his sinless and happy state. Consequently, he incurred not only physical death but also spiritual death, which is separation from God. We believe that all human beings are sinners not only by inheritance, but by choice, and are, therefore, under God's just condemnation without defense or excuse. We believe that without exception every man and every woman is totally depraved and needs a Savior.
