

Our goal at CCF is to make sure that every member and guest feels connected, gets connected, and stays connected.

Every member and family is assigned to [Family Care Servant](#) . These leaders will help connect you with CCF. You will be prayed for and encouraged to fellowship with other families in your Family Care Group. We offer many discipleship small group opportunities through our [Christian Life Institute](#) to get connected such as our [Marriage Builders](#) Courses, Survival Kit Courses, and Master Life, [Chosen Generation](#) for Youth and Teens and [TeamKid](#) for pre-k through 6th grade. Additionally, when you become a member you will go through our New Members Discipleship 101 process with other new family units who've recently become members. At CCF, every ministry team is encouraged to do more than just minister together. We want our members to do life together. When you become a member of CCF, our Assimilation Director and Team will do whatever it takes to help you find your spiritual gifts.
