

Our mission with the youth ministry is to build healthy and strong teenagers by developing them spiritually, mentally, socially, and academically so that these teenagers will become a generation of youth whose light shines brightly for Christ in every aspect of their lives.

Chosen Generation meets for Bible study on Wednesdays from 7-8:00p and Every 4th Sunday from 1-2pm.

On Wednesdays, we use the **KNOWN** curriculum where the lessons teach to “KNOW God, OWN their faith, and make Jesus **KNOWN.**”
